

Big Ox Plop Fundraiser for Juvenile Arthritis
Sponsored by Team to the Max

October 8, 2016

1. The Big Ox Plop event will take place on October 8, 2016 in the outfield area at Circle Tap. A 100' x 125' field grid will be marked off in 5' X 5' bingo squares for a total of 500 numbered squares. The field grid will be clearly marked with all bingo squares being of equal shape and size.
2. The field grid (and oxen) will be protected by a barrier or fence. Spectators and bingo square holders must not interfere with the progress of the event.
3. There will be a marked out of bounds area between the field grid and the fence. In the event an ox plop lands in the out of bounds area, it will be disregarded and the event will continue until a plop lands on one of the bingo squares, or if no plop occurs within 3 hours, the winner will be determined as per Rule #7.
4. Up to 500 bingo tickets will be sold at four rates; \$100.00, \$50.00, \$20.00, or \$10.00. Proceeds from the Big Ox Plop fundraiser will benefit Juvenile Arthritis Foundation.
5. A poster or list will be printed, noting bingo ticket holder names and numbered square assignment; this will be on display at Circle Tap prior to Big Ox Plop event starting.
6. On or about 2:00 pm on October 8, 2016, two oxen will be led into the designated grid area by an appropriate handler and allowed to freely roam within the grid area (while tethered to a lead line of appropriate length) until the first oxen or "plop" (NOT pee) is made.
7. If the ox has not made an ox pie within 3 hours of their release, the prize money will be awarded to the ticket holder of the bingo square where the marked ox's right front hoof is placed. The Big Ox Bingo Plop judge will make the ruling on the winning bingo square.
8. The \$100 ticket holder of the bingo square on which the ox pie lands will win \$25,000 (or in the event that not all bingo square tickets are sold, 50% of all bingo squares sold).
9. The \$50 ticket holder of the bingo square on which the ox plop lands will win \$12,500, or in the event that not all bingo square tickets are sold, 50% of all bingo squares sold.
10. The \$20 ticket holder of the bingo square on which the ox plop lands will win \$5,000, or in the event that not all bingo square tickets are sold, 50% of all bingo squares sold.
11. The \$10 ticket holder of the bingo square on which the ox plop lands will win \$2,500, or in the event that not all bingo square tickets are sold, 50% of all bingo squares sold.
12. If the ox plop lands on bordering bingo squares (crossing the line connecting the squares), the square with the largest ox pie (width and depth) wins.
13. If the ox plop lands on a square that is unsold (in the event that tickets for all 500 bingo squares do not sell), the winner will be the closest "sold" square or squares immediately adjacent to and sharing at least one full side with the unnumbered, unsold square. This could end up being more than one winner (up to, but not to exceed, 4 winners) who would share in the prize money equally.
14. Bingo square holders need not be present to win.
15. Bingo square winner(s) will be responsible for all associated fees/taxes associated with the cash prize winning.
16. The decision of the designated Big Ox Plop event judge(s), with respect to the event winner(s), is final.
17. The winner will be recognized at the conclusion of the Big Ox Plop fundraiser. If the

winner is not present, the winner will be notified by phone and/or email and will then have 30 days to claim the prize money. Unclaimed prize monies will be donated to Juvenile Arthritis Foundation.

18. Winners must provide proof of deed ownership before prize money will be awarded.

19. The event will proceed on October 8, 2016, rain or shine. If there is thunder/lightening at 2:00pm on October 8, 2016, the Big Ox Plop event will be canceled. The cash prize winners will then be established by a randomly selected attendee; the attendee will draw one ticket from each of the ticket boards and the winners will be announced.

20. The rules and regulations will be posted at the October 8, 2016 Big Ox Plop event.
